

GAMES BOWLED IN FOUR LOCAL LEAGUES

Fat Men's Club Wins Set
From Business Men.

ROLLED HIGH SCORE FIRST

Bureau Outbowed Navy Yard, and
American Security Takes Three
From Loan and Trust.

Every man at the Fat Men's Club team except Ludwig fell down badly in his third game bowled last night in the District League series on the Fat Men's alleys against the South Washington Business Men's Club. As it turned out the home club won the set of three games, but the last total would not have been a credit to a minor league team.

The first was the high total of the evening, and the next at 901 was a strong one, and there it ended.

Ludwig was in good form despite the fact that he has only recently come back into the game. He had high average with 188, and his steadiness gave it to him. Harlow had second high average with 184, and bowled a 206 game. Brown led with a 211 single, and 172 was his average.

The Business Men were entirely off form and Armstrong led with 165 average. The scores:

Department League.

But for Hess' running into some bad splits in the third game the Bureau team would have won the set from the Navy Yard last night on the Palace alleys. As it was, the "Money-makers" took two hands and lost the third by only five pins.

The winners have been putting up such high totals recently that 879, their best total string last night, seemed small, but their bowling was of the steady, consistent sort. Hardie was high man, with 190 average, and he shared with Powers the honor of high single, at 201. Hess was second, with an average of 181.

Railway Relief League.

The Clerks' team lost the first game by one pin and handily won the next two last night from the Mechanicals in a set bowled in the Railway Relief League. The second game at 709 was the highest of the set, and neither that nor the rest were up to the standard of the teams.

Whitney was easily high man with 176 average and his 199 was best single. C. Wilson was his nearest neighbor with 147 average. The scores:

Bank Clerks' League.

The American Security and Trust team bowled best in damp weather, and last night the going was to its liking and it won the full set from the Loan and Trust Company.

The scores were not high, but they show that these teams are steady in their bowling. Leet was the best bowler, with an average of 187, and his 210 was easily the highest single game. Taylor was next, with 177 average, and his 193 was second best single.

WRESTLED TO A DRAW.

Joe Grant and the "Cuban Wonder" wrestled again at the Empire last night, and, as upon the former occasion, both men were tugging and lugging each other when the limit of fifteen minutes had expired. The bout was full of action, and each man had close calls for a fall, but both were clever enough to elude out of bonebreaking holds. Frank Huseman, who returned this week from a triumphant wrestling jaunt through the West, refereed the bout, and will tonight go on with the "Cuban Wonder," and hopes to take a fall out of him.

PULLIAM NOW CHIEF OF NATIONAL LEAGUE

Elected President, Secretary
and Treasurer.

J. T. BRUSH THROWN DOWN

Cincinnati Magnates Put End to Baseball War—Rival Club Owners
Hold a Love Feast.

NEW YORK, Dec. 13.—Harry Pulliam is now president, secretary and treasurer of the National League. He was elected at yesterday's meeting to the important position, and will hereafter make his headquarters in this city at the St. James Building, Twenty-sixth Street and Broadway.

Mr. Pulliam tried hard to escape the honors thrust on him, but he was made a victim of popularity. The new president will have the appointment of an assistant secretary, if he so desires, and doubtless Charles Murphy, of Cincinnati, or Dan Mills, of this city, well-known newspaper men, will get the position.

The executive committee, of which John T. Brush was chairman, and which conducted the affairs of the league so successfully all last season, will go out of business. In its place a board of directors was chosen yesterday composed of representatives of the New York, Boston, Pittsburgh and Chicago clubs.

Board Indicates Harmony.

The formation of this board, that includes as it does four magnates who have been on the outs in the past, goes to show that harmony prevails. Brush, of New York, and Soden, of Boston, have always worked together. They have been the conservative end of the league. Messrs. Dreyfuss and Hart, together with President Pulliam, will in future dictate the league's policy.

This on the face of it looks like a throw down for Mr. Brush. The latter did not get all he was looking for. The new Cincinnati element legislated in favor of the more progressive party, as they claim. The latter is for peace with the American League. The Brush-Soden interests were in favor of continuing the war to the bitter end, and it remains a question if that were not the better policy.

Rivals Bury Hatchet.

Ban Johnson, president of the American League, together with Messrs. Killfoyle and Somers, received a committee of the National League at the Criterion Hotel, Forty-first Street and Broadway, yesterday morning. The National League committee was composed of Garry Herrmann, Frank de Hass Robinson, and James A. Hart.

The meeting resulted in a love feast. President Johnson agreed to appoint a committee to confer with the National League not later than January 5 next. Up to that time the flag of truce will wave over the ramparts.

"Jack" Doyle will play first base for the Brooklyn next season. Manager Hanlon and Doyle will "get together" today.

The National League meeting adjourned last night. Another meeting will be called when the American League says it is ready.

WORK OF ANTI-SALOON

LEAGUE IN MONTGOMERY

ROCKVILLE, Md., Dec. 13.—The Montgomery County Anti-Saloon League has recently passed through one of the most earnest and energetic campaigns against selling intoxicating liquors and gambling in this county which it has ever waged against the violators of the prohibition liquor and anti-gambling laws of the county and State. The campaign was started about the first of June. Pines aggregating \$3,700 were assessed against violators of the law at the last session of the county court.

The officers of the League are Warren Choate, president; John H. Gassaway, vice-president; M. B. Montgomery, treasurer, and Frank Higgins, secretary. The executive committee is composed of the officers named, and one committeeman from each of the thirteen election districts of the county. The active work of the League is entrusted to the law enforcement committee, the members of which are Frank Higgins, chairman; Warren Choate, Dr. William K. Andrews, and Albert E. Shoemaker. The League employs Frank Higgins as its attorney.

WEATHER AFFECTS CLOCK.

For twelve hours the clock in the tower of the Postoffice building failed to perform its duty, and not until after 1 o'clock this afternoon did it resume its functions. Probably not then would the wheels have been started had not the attention of Disbursing Clerk Merchant been called to its idleness and the official repairer summoned. So intricate is the gearing of the clock that violent changes of weather affect its working.

FOUR FAVORITES WIN ON NEW ORLEANS TRACK

Two Outsiders First at
Good Odds.

NEW ORLEANS, Dec. 13.—Contests of speed were out of the question. The track was sloppy, and the races narrowed down to a survival of the fittest rather than class or speed. Considering the track conditions it is surprising how close to form the races were run. Four favorites crossed under the wire in the lead. The winning favorites were Tom Maybin, 6 to 5; If You Dare, 4 to 5; Scorpio, 12 to 20, and Jessie Jarboe, 8 to 5. Hanover Queen and Mrs. Frank Foster were the winning outsiders, at 15 to 1, and 20 to 1 in the betting, respectively.

New Orleans Entries.

First race—Selling; five and one-half furlongs. Sand Flea and Ace of Spades, 104 each; Alpaca, Four Leaf C., Ben Mora, and Sister Sarah, 100 each; Playlike, 112; Russell, Montana, and Uterp, 114 each; Frank Kenny and James J. Corbett, 117 each.

Second race—Purse; one mile. Robert G. Lansing, 88; Aurie B. and Witful, 90 each; Sheriff Bell and Prince of Endurance, 100 each; Inspector Shea, 102, and Ray, 112.

Third race—Six furlongs; purse. Glenview, 90; Doekins, Lady Alberta, Sailor, and Cadmus, 99 each; John Peters, 102; Echobade and Andes, 107 each; Antonius, 113, and The Lady, 115.

Fifth race—Handicap; one and one-half miles. Scotch Plaid, 100; Jessie Jarboe, 102; Death and C. B. Campbell, 106 each.

Sixth race—Selling; one and one-half miles. Pethen, 90; Irving Mayor, Compass, and Georgia Gardner, 98 each; Latson, 101, and Barrack, 113.

JOCKEY CLUB ADOPTS

NEW RACING RULES

Important Amendments Which Will

Prove of Benefit to the Sport.

An important meeting of the Jockey Club was held in New York on Thursday and the chief business concerned the amendments to the racing rules, notice of which was given last month. The members present were:

August Belmont, J. H. Bradford, F. K. Sturgis, Jesse Brown, S. S. Howland, F. R. Hitecock, J. G. Follansbee, H. K. Knapp, J. G. Hechacher, F. J. Dwyer, A. H. Morris, W. C. Eastis, James R. Keene, Andrew Miller, Perry Belmont, and W. C. Whitney.

The proposed amendments, with some slight modifications, were adopted. The changes made in the racing rules are as follows: "Whenever a horse is engaged in a race, the husband or wife is in the forfeit list all disabilities shall apply to both."

To the rules providing for the methods of starting races, the following paragraph was added: "Whenever the horses are started by a flag there shall be no start until, and no recall after, the assistant starter has dropped his flag in answer to the flag of the starter."

The rule prohibiting the use of drugs or stimulants on horses engaged in races was altered to read as follows:

"Any person who shall have administered a drug or stimulant internally or by hypodermic method prior to a race, or who shall have used appliances electrical or mechanical other than the ordinary whip or spur."

All other amendments were adopted as published in the "Racing Calendar" with the exception of the provision that the secretary of each racing association should retain 1 per cent of the full value of each race. This last change was laid over for discussion at the next meeting.

CORCORANS WIN FROM

THE MORTON CADETS

Game Full of Unnecessary Rough Play-

ing, in Which Both Teams

Were at Fault.

The Corcorans defeated the Morton Cadets in the Guards' Center Market gymnasium last night by the score of 9 to 7. The game was one of the roughest that has been played by any teams of the District Basketball League this year, and on several occasions trouble between the opposing players was narrowly averted. The game was no credit to the sport. Both teams frequently disputed the decisions of the officials. The Mortons have protested the game because one of the Corcoran players ran in front of Richards while he was in the act of trying for a free goal.

The little gallery at the gymnasium could not hold the large crowd present, and ropes were stretched across the floor under the balcony. The two teams are factors for first place in the league, and their work was so off color that the large crowd which came, expecting to see a good, clean game of basketball went home disappointed.

Fred Hoover and "Kid" Sullivan, two clever local writers, took the mat for a ten-minute bout, between the halves. Both proved their cleverness by squirming out of several tight holds, and at the expiration of time both men were on the mat.

The line-up:
Corcorans. Position. Mortons.
Nash.....R. F.....Hughes, Baum and Curran.
Pearson.....L. F.....Richards.
Boyle.....Center.....Rice.
Droeger.....R. B.....M. McQueen.
Barnholdt.
Heffer.....L. B.....W. McQueen.

Goals from field—Pearson, 1; Nash, 1; Hughes, 1; Richards, 1; W. McQueen, 1. Goals from free—Boyle, 5; Rice, 1. Referee—Hildreth. Umpires—Mangum and Fewkes. Timers—E. H. Handbush and Beuchart. Scorers—Richmond and Hazard. Halves—20 minutes.

YOUNG CORBETT-M'GOVERN FIGHT GOES TO DETROIT

Match Will Be Pulled Off Next Month
and Will Be Limited to
Ten Rounds.

Detroit will be the battleground for the glove contest between "Young Corbett," featherweight champion, and "Terry" McGovern. The selection of the place was made at a meeting held on Thursday night, and the bout, which is limited to ten rounds, will be pulled off before the Metropolitan Athletic Club in the city named.

According to the articles of agreement signed by the managers of Corbett and McGovern respectively the boys are to box at 127 pounds, weigh in at 4 o'clock on the afternoon of the contest, and will battle for 62½ per cent of the gross receipts, of which the winner will receive 75 per cent, and the loser 25.

Johnny White of New York, who was the official referee of the old Broadway Athletic Club, was selected as the referee of the bout, while C. E. Lambertson of Cincinnati was chosen as the stakeholder.

Each principal will have to post a forfeit of \$5,000 with the stakeholder as a guarantee that he will fight on the date selected by the club. Half of this amount is to serve as a forfeit for weight, while the remaining half is to bind the men to fight according to the conditions in the articles of agreement. This is the largest amount of money ever posted as a forfeit by two featherweights, and was suggested by Corbett, who claimed that in case anything happened he was sure he would get his expenses out of the fluke.

It took two solid hours of argument between Corbett and McGovern's managers before all details for the match were arranged. Both Corbett and Terry's manager were anxious to let the Southern Athletic Club of Louisville have the fight, but as Tim Hurst, who represented that club, was willing to post a certified check for only \$2,500, he lost the match. Billy Considine, who represented the Metropolitan Athletic Club, came forward with a certified check for \$5,000, and also offered the fighters 62½ per cent of the gross receipts, which was 75 per cent more than Hurst was willing to give. If Hurst had posted the check for \$5,000 he would have got the contest.

George Considine offered to bet McGovern's manager \$2,500 that Corbett will beat Terry inside of ten rounds. The bet was accepted without delay.

Corbett will probably train at Mt. Clemens, Mich. McGovern has not yet selected his training quarters, but he may go to West Baden, Ind.

LITERARY STUDENTS

MEET IN DEBATE

A question that has always been a source of disagreement among students of economics was under debate at the Young Men's Christian Association headquarters last night, when the members of the Bellamy Society and the Capitol Hill Literary Society met in the first joint debate of the District of Columbia League.

The question was: "Resolved, That the fair share of labor in any industrial enterprise is the total proceeds of the enterprise." The affirmative was taken by the Bellamy Society, and the negative by the Capitol Hill Literary Society. The judges were Hon. W. W. Brown, auditor of the Navy Department; Hon. F. C. Tate, representative from Georgia, and the Rev. Henry N. Couden, chaplain of the House. The question was decided in favor of the negative.

A Timely Suggestion.

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be ward off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures. For sale by Henry Evans, wholesale, and all druggists.

ADMIRAL MELVILLE GROWS EMPHATIC

Uses Some Swear Words in Columbia
Lecture.

NEW YORK, Dec. 13.—Rear Admiral George W. Melville, engineer-in-chief of the United States Navy, addressed the Engineering Society of Columbia University yesterday afternoon on "Arctic Experiences." For almost three hours he recited the thrilling experiences of the De Long party and the Jeannette in 1879. The audience was composed in part of women. In describing what happened after the wreck of the Jeannette, Admiral Melville said:

"Twice my boat had been swamped when we saw a signal for a recall. I knew that if I turned my boat in the teeth of that gale it would surely be swamped again. This I confess, ladies and gentlemen, made me swear. I turned around and yelled: 'G-d damn it, I've got to run for it or I'll swamp.'"

The expletive was spoken as if it were meant, and it looked a titter among the students and a look of horror on the faces of the women and some of the professors in the room. The word "damn" was used three times in the lecture, each time to emphasize the hardships and strange experiences in the Arctic regions.

The speaker was repeatedly cheered by the students at the conclusion of the address.
